EXPERIENCE

Senior Graphic Designer Cum Video Editor, Videographer

May' 23 - Present

Ecorp Real Estate

- As a Graphic Designer, Videographer, and Video Editor at a dynamic real estate company, I aim to enhance the visual representation of properties and the overall brand, transforming raw video into captivating content for both buyers and sellers.
- I excel in creating visually appealing property brochures, digital marketing materials, and social media assets that effectively highlight unique features and attract potential buyers.
- I specialize in producing high-quality property videos, virtual tours, and promotional content using professional camera equipment, ensuring optimal lighting, composition, and storytelling.
- I utilize industry-standard video editing software to arrange footage, add transitions, special effects, and enhance audio, ensuring that every property video is polished to perfection.
